**W. H. Anderson Tool and Supply Co.**

**14-16 Macomb Street**

**DETROIT,**

**MICHIGAN**

## To the Trade.

Our cement working tools used in the laying of artificial stone sidewalk are made from our own improved design, which is the result of many years' experience in the manufacture of this class of tools. Reliable practical contractors have used our Cement Tools extensively and pronounce the results obtained as entirely satisfactory in every respect.

When buying tools from us you get those which have been thoroughly tested and known to be first-class and the best of their kind.

All of our tools are made of our special brass mixture which gives great toughness and wearing qualities.

We also manufacture a line of iron finishing tools slightly cheaper than the same tool made in brass, to accommodate contractors who do only a limited amount of this class of work. Unless the iron tools are given the best of care, the action of cement upon them will in a short time destroy their usefulness, whereas with the brass tools made from our special mixture this trouble is entirely eliminated.

OUR TERMS are Cash with the order from all who have no satisfactory rating with the Commercial Agencies. To those furnishing us satisfactory references as to their financial standing our terms are Net Cash, 30 Days.

	Brass	Iron
Price, each .....	\$24.00	\$18.00

## Grout Cutter.

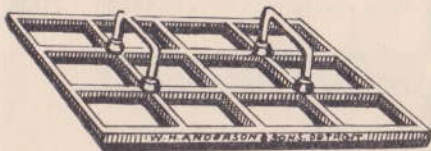

No. 70.

Blade  $4\frac{1}{2}$ " wide, 20" long, price each.....\$5.00

Can furnish all in one piece, same price.

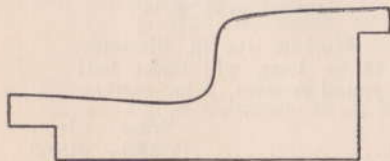

## Driveway Impression Frame.

This frame is made of iron casting with wrought iron handles. The frame is 15" x 20" and makes 12 heavy V impressions  $4\frac{1}{4}$  x  $4\frac{1}{4}$ " Price each.....\$3.50

Frame, 6x 6" space, 18x24" .....\$7.50

Frame,  $2\frac{1}{2}$  x  $2\frac{1}{2}$ " space ..... 3.50

## Gutter Templates.

We can furnish gutter, curb or other templates to order. Send sketch showing your requirements for prices.

## Concrete Tamps.

No. 10, 3x6 in., weight 10 lbs.  
fitted with 4 ft. handles.  
Price per dozen .....\$16.00

No. 14, 6 in. Square, weight  
about 14 lbs., fitted with 4  
ft. handles. Price per doz. 18.00

No. 15, 8 in. Square, weight  
about 15 lbs., fitted with 4  
ft. handles. Price per doz. 18.00

No. 20, 10 in. Square, weight  
about 20 lbs., fitted with 4  
ft. handles. Price per doz. 20.00

No. 25, 10 in. Square, weight  
about 25 lbs., fitted with 4  
ft. handles. Price per doz. 24.00

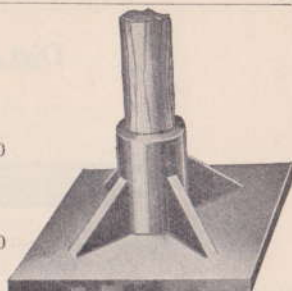

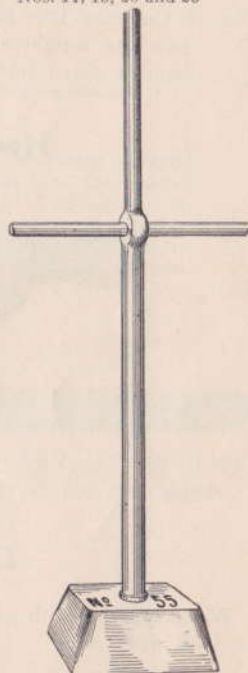

Illustration of  
Nos. 14, 15, 20 and 25

## Two Man Tamp.

No. 55, 7½ in. Square, weight  
55 lbs., with Iron Handle  
and arranged to be used  
by two men. A superior  
tool for tamping founda-  
tions. Price each .....\$7.00

Illustration of No. 55

## Dirt Rammers.

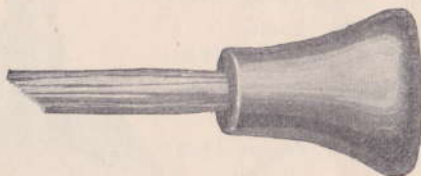

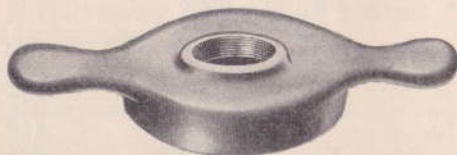

Illustration of No. 18

No. 18, Common Dirt Rammers, 6 in. in diameter on bottom and weight about 20 pounds, have strong 4 ft. handles fitted into the same. Price per dozen...\$18.00

## Hydrant Reducers.

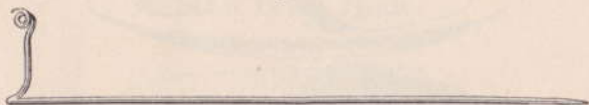

Made for Standard 4" Fire Hose Hydrant and fitted with  
 1" or  $\frac{3}{4}$ " hose connection. Price.....\$5.00  
 Fitted with Brass Cock or Shut-off for either 1" or  $\frac{3}{4}$ " hose.  
 Price ..... 7.00

## Derrick Irons.

We can figure with you on Pole or Breast Derricks complete or Iron work only.

## Lamp Rods.

No. 85, Made of  $\frac{1}{2}$  in. Steel, 5 ft. long, with special shaped hook for holding lanterns. Prevent lanterns from being stolen. Sharp point on end to drive in pavement. Price per dozen .....\$6.00

## Guard Rods

These rods are made of  $\frac{3}{4}$ " round steel 4 feet long, pointed on one end and made to be driven into the ground around walks which are being laid. The top is constructed so that a rope can be passed through or canvas can be hung upon the hooks. This makes an effective barrier and keeps the walk in perfect condition until hard enough for use. Price each..... \$ .75

## Star Drills.

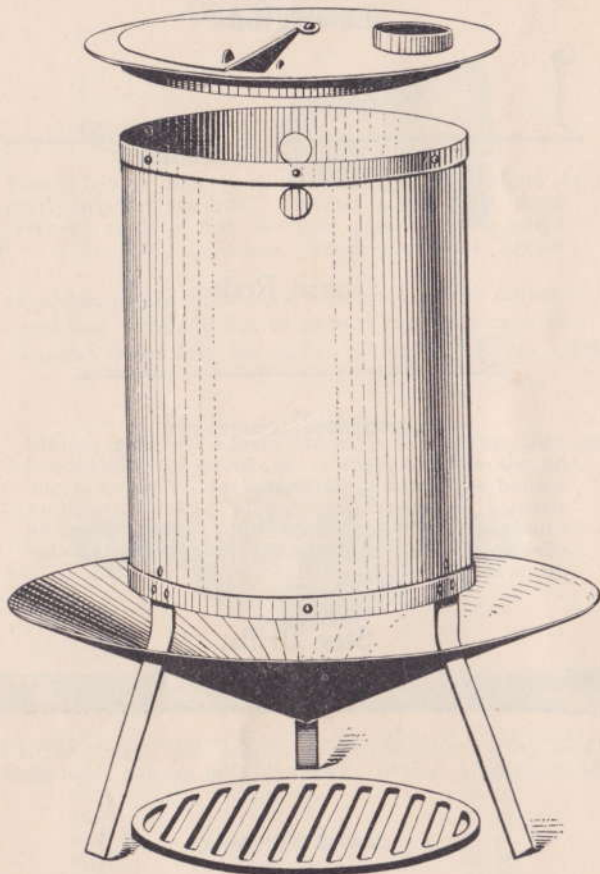

These drills are made of high grade Tool Steel. Special sizes made to order if desired. The following are the stock sizes:

$\frac{3}{8}$ in.	10 in.	\$1.00
$\frac{1}{2}$ in.	12 in.	1.20
$\frac{5}{8}$ in.	14 in.	1.50
$\frac{3}{4}$ in.	16 in.	1.70
$\frac{7}{8}$ in.	18 in.	2.00
1 in.	20 in.	2.20
$1\frac{1}{8}$ in.	24 in.	2.40

## Salamanders.

18" diameter, 18" high, reinforced with ring top and bottom.	24"
Tray, with Grate, each .....	\$7.00
Extra Grate, 16" diameter, each .....	1.40
Cast Iron Top for 6" Stove Pipe, each .....	2.00

## Steel Brick Hods.

Fig. 72.

Strong, well made Hod, each.....\$2.00

## Steel Mortar Hods.

Fig. 73.

Large capacity .....\$2.50

## Wood Brick Hods.

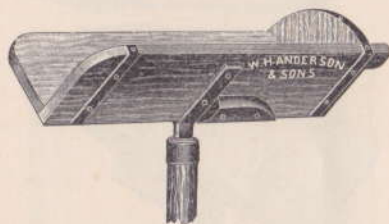

Fig. 70.

Well made seasoned pine lumber. Strongly ironed, price  
each .....\$2.50

## Wood Mortar Hods.

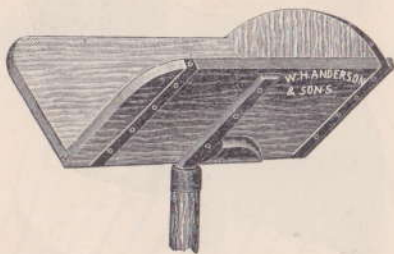

Fig. 71.

All joints rabbited and made water tight. Bound with band  
iron, price each .....\$3.00

## Frost Wedges.

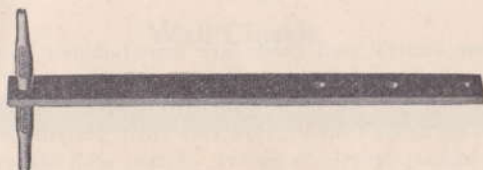

Made of Hard Steel.

12" to 24"

12" Aver. weight 12 lbs. ....20c lb.

14" Aver. weight 14 lbs. ....26c lb.

## Pin Anchors.

Pins cannot drop out.

We carry in stock the following sizes:

Per 100	Per 100
1 x3/16x12" 3/8" Pin...\$10.00	1 1/4x3/16x21" 1/2" Pin....\$22.00

Illustration of No. 10A

- No. 10, Plain Mixing Hoe with Blade 10 in. wide. Price  
per dozen .....\$14.40
- No. 10A, Perforated Mixing Hoes with Blade 10 in. wide.  
Price per dozen ..... 15.60

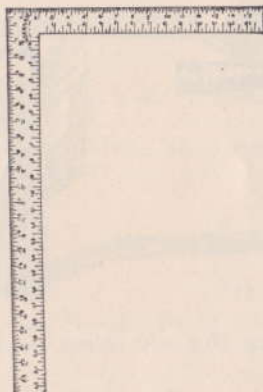

## Rakes.

Heavy Steel Rakes, suitable for concrete. Per dozen..\$14.00

## Steel Squares

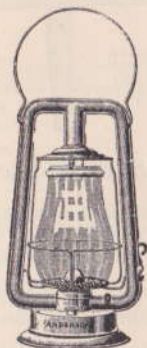

- No. 12, 8 in. x 12 in.—1½ in. wide Heavy Corners. Price  
each .....\$1.20
- No. 3, 16 in. x 24 in.—2 in. wide, extra heavy corners. Price  
each ..... 1.50

## Rubber Hose.

- Our 6 ply black hose is a very satisfactory article for the Contractor, fitted with patent couplings, in 50 ft. lengths. Price per foot .....19 cents
- Our 7 ply black hose is a very superior hose to use on concrete work. This hose has a very stiff wall to withstand the wear in being pulled around on broken stone and is not easily broken by wheel barrows running over it. We especially recommend this hose for use in all places where a hose will get severe usage, it is fitted with patent couplings, and put up in 50 ft. lengths. Price per foot.....25 cents

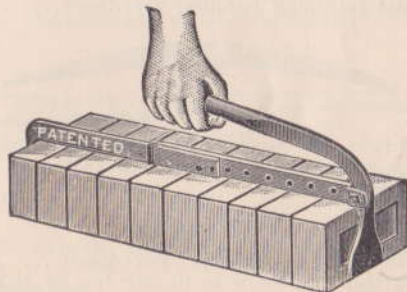

We make no charge for the couplings if 50 feet of hose or more is ordered at one time.

## Lanterns

Contractors Tubular Lanterns with large oil reservoir, fitted with plain white globes. Price per dozen.....	\$10.00
Contractors Tubular Lanterns with large oil reservoir, fitted with genuine ruby globe. Price per dozen .....	\$12.50
Plain White Lantern Globes. Price per dozen.....	\$1.00
Genuine Ruby Globes. Price per dozen .....	\$4.00

## Brick or Block Handlers.

Will hold 10 regular brick; adjustable for smaller number.	
Price, each .....	\$5.00

Illustration  
of  
Concrete Picks

## Concrete Picks

No. 65, These picks are made of one piece of tool steel and are especially designed for cutting through concrete foundations, walks, and other material too hard for common dirt picks.

They are fitted with special shape handle made of second growth Hickory. Price including handle each...\$2.50

## Dirt Picks.

Illustration of Nos. 50 and 51

No. 50, Common Pick with steel point, weight 5 to 6 lbs.

Price not including handles, per dozen.....\$9.00

No. 51, Common Picks with steel point, weight 6 to 7 lbs.

Price not including handles, per dozen.....10.00

Illustration of No. 60

No. 60, Anderson All Steel Picks made for extra severe service, weight 8 lbs. Price not including handles, per dozen .....

\$18.00

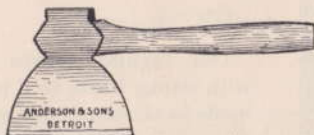

## Pick Handles.

Dirt Pick Handles, good quality. Per dozen.....\$3.00

## The Anderson Mortar Barrow.

This barrow is made of selected material. The peculiar shape enables the load to be carried well over the wheel and prevents slopping at corners. One laborer with this barrow will deliver more mortar to bricklayers than three can do with hods. The barrow weighs 80 pounds and is only 59 in. long over all, enabling it to go on material elevators easily. Fitted with Anderson extra heavy steel wheel.

Price, each .....\$9.00

If interested, write for special wheel barrow circular.

## Wheelbarrows.

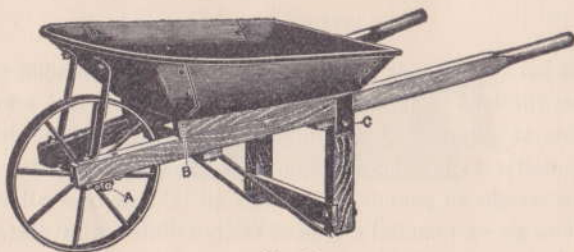

No. 3

## Panhandle Barrow.
